In conjunction with BioSpace, BayBio is pleased to present to its members and the Northern California community a career site focused on employment opportunities, internship programs and qualified candidates from the biotechnology, pharmaceutical, medical device and health care fields in the Bay Area.

We welcome all HR, Staffing and Recruitment professionals from the biopharm and healthcare industries to post jobs and search our BayBio Candidate Resume Database. Start-up companies looking to hire locally are also encouraged to visit the BayBio career site.

BayBio Members receive discounts on job postings and access to the BayBio Candidate Database so if you're not a member, join today!
